

10 Years of
Transforming Lives
with School Meals

MISSION

Deliver Healthy Food to
Hungry Schoolchildren.

VISION

A World Where
All Children Thrive.

YOUR GIFTS BRING LASTING *Change*

Dear Thrive Community,

By helping us deliver over 3 million meals in 10 years, you have improved the lives of thousands of children.

Thrive is community driven. From day one, our success has come from the people like you—the doers and donors who care about providing healthy food to children who need it most.

Because of Thrive, children are eager to go to school. Ask Shilo, age 7, what her favorite thing about school is, and she'll instantly tell you "dim" (egg).

With Thrive, children learn and grow. When Hanz, age 10, started getting daily meals, he had the energy to swim competitively. In his first-ever swim meet, he won gold. Now he's off to regionals.

Thanks to Thrive, the future is full of hope. Shumi, a high school senior, who has received our meals since 1st grade, plans to be a doctor serving poor communities. And she's on track to succeed.

We thank you for all you do for these children and the many others whose lives are being transformed by school meals.

Thrive on! With gratitude,
Priscilla & Gina, Co-founders
Executive Director & Board President

See the
joy
you bring.

Why Thrive?

Food is Essential
for Success

With food,
children can
THRIVE!

Without food,
children can't
grow.
