

**Become a Sponsor or Brand Partner**  
**Let's work together to provide school meals to change lives.**

Big or small, multinational or locally-owned — your business can make a direct impact on the lives of schoolchildren, supporting our work to ensure children have the brain fuel needed to be ready to learn and succeed.

We work closely with our Brand Partners to develop mutually-beneficial fundraising campaigns, co-branded merchandise, media, and experiences that transform the lives of schoolchildren.
